

We invite you to  
join us as a member of  
*The Wolf Pack*

**Why join a club?**

You don't need to be a member of any club to attend a club's dance, but club membership provides friendship in an extended family kind of atmosphere.

Membership dues are needed to help pay the administrative costs of keeping the club running so that you will continue to have a place to dance.

By joining an Oregon State Federation club, you are covered under the insurance policy provided through the Oregon State Federation, while dancing at any event put on by a federation club.

**Why join the Wolf Pack?**

"Real People Having Real Fun" is one of our mottos. The Wolf Pack is more than just another square dance club. It is a close knit group which lives by the words of Rudyard Kipling in the Jungle Book, "For the strength of the Pack is the Wolf, and the strength of the Wolf is with the Pack". The strength of the Wolf Pack Square Dance Club is in our camaraderie and support of each other.

Being an "animal oriented group," and with other clubs supporting human charities, when we hold benefit dances we normally raise funds for an animal related organization. We have in the past supported the Cascades Raptor Center, Wolf Haven International, Pro-Bone-O of Eugene, and S.A.R.A.

The Wolf Pack has been contributing funds to sponsor a wolf for several years. First we sponsored Matsi of the famous Sawtooth Pack at the Wolf Education and Research Center in Idaho. Next we sponsored Angel at Wolf Haven International in Tenino, Washington. Next, Spruce, also at Wolf Haven International. Currently we are sponsoring Shadow, at Wolf Haven.

We sincerely hope that you will consider being a part of our club and join us at our dances and other club activities.
